BANKERS - 60 SECOND EXAMPLES (FEEL FREE TO COPY)

Banker #1

Hi, I'm Priya Desai with Summit Community Bank. Professional service delivered with care. This week I'm looking for businesses keeping more than twenty-five thousand dollars in basic checking while paying monthly fees. A specialty retailer had idle cash and unpredictable costs. We moved them to an analyzed account with a sweep to interest and set merchant deposits to land daily. Fees dropped to near zero and they now earn monthly credit on balances. This week I'm looking for owners who say "our bank never calls" or "we keep too much in checking." Introduce us before renewal season. I'm Priya Desai with Summit Community Bank. Relationship banking that grows with you. We review accounts, cash management, and lending together so your money works while you do.

Banker #2

Hi, I'm Javier Morales with Harbor First Bank. Professional service delivered with care. This week I'm looking for contractors who will need a line of credit for seasonal payroll within ninety days. A landscaping firm applied after cash became tight and then waited. We underwrote early, secured a 150,000 dollar line, and linked it to their checking so draws funded the same day. Payroll stayed smooth and late fees disappeared. This week I'm looking for contractors planning growth who want financing in place before they need it. When you hear "we will apply if we have to," connect us. I'm Javier Morales with Harbor First Bank. Funding that is ready before you are. We provide proactive reviews, fast decisions, and local approvals so busy owners can breathe.
