Fencing #1

Hi, I am Tyler Scott with StrongLine Fence. Secure yards installed on schedule. This week I am looking for pet owners who just moved into homes with gaps under aging wood fences. A family worried their dog would slip out. We installed a six foot board on board fence with bottom kick boards and secure latches. The yard became safe and private. This week I am asking for new homeowners who mention escape artist pets or failing fences. We mark utilities, pull permits, and finish clean so neighbors stay happy. We coordinate with all parties so the handoff stays smooth and predictable. Our team documents progress with. I am Tyler Scott with StrongLine Fence. Secure yards installed on schedule.
