CREDIT CARD SERVICES - 60 SECOND EXAMPLES (FEEL FREE TO COPY)

Credit Card Services #1

Hi, I'm Natalie Rhodes with ClearRate Payments. Professional service delivered with care. This week I'm looking for restaurant owners paying above a three percent effective rate who have not had a statement audit in six months. A bistro paid hidden fees they did not recognize. We installed transparent pricing and next-day funding, saving eleven hundred dollars per month and speeding cash flow. This week I'm looking for restaurants that say "fees feel random" or "deposits land late." Introduce us. I'm Natalie Rhodes with ClearRate Payments. Clarity saves cash. We track the true effective rate, show every line item, and train staff so chargebacks drop. Better pricing, better funding, and fewer surprises.

Credit Card Services #2

Hi, I'm Marcus Dean with FieldPay Solutions. Professional service delivered with care. I'm looking for contractors who still text for deposits or wait for checks. An HVAC team added tap-to-pay and simple invoices that auto follow up. Deposits arrived the same day and cancellations fell. This week I'm looking for trades that want on-site payments and clear statements. When you hear "we will bill later," think FieldPay. I'm Marcus Dean with FieldPay Solutions. Faster pay with fewer headaches. We set up mobile terminals, QuickBooks sync, and funding you can predict so owners sleep better. We begin with a short discovery call to confirm fit and goals. Next we outline a simple plan with clear steps, dates, and owners. Expect direct communication, transparent pricing, and realistic timelines. We coordinate with all parties so the handoff feels smooth and predictable.
