ROOFING - 60 SECOND EXAMPLES (FEEL FREE TO COPY)

Roofing #1

Hi, I'm Brandon Cho with RidgeLine Roofing. Professional service delivered with care. This week I am looking for homeowners with shingles lost after the last storm or ceilings that show small brown circles. A family ignored a stain until mold appeared. We replaced damaged decking, installed a new roof with proper ventilation, and handled the insurance paperwork. The home is dry and healthier. This week I am looking for neighbors who say a tarp has been up for weeks. When you hear that, think RidgeLine. I am Brandon Cho with RidgeLine Roofing. Protection from the top down. We inspect safely, explain the photos, and offer financing so repairs do not wait for the next storm. We begin with a short discovery call to confirm fit and goals.

Roofing #2

Hi, I'm Claire Watson with Summit Peak Exteriors. Professional service delivered with care. I want realtors with listings where the roof will derail inspection unless addressed now. A sale almost fell apart over granule loss and exposed nail heads. We completed a repair certification with documented fixes and extended life. The deal closed on time. This week I am looking for agents who need a fast, honest roof opinion before photos. I am Claire Watson with Summit Peak Exteriors. Roofs that last and look great. We provide same-week inspections, clear reports, and workmanship that passes the toughest re-inspections. We begin with a short discovery call to confirm fit and goals. Next we outline a simple plan with clear steps, dates, and owners. Expect direct communication, transparent pricing, and realistic timelines.
