WINDOW CLEANERS - 60 SECOND EXAMPLES (FEEL FREE TO COPY)

Window Cleaning #1

Hi, I'm Jamie Ross with CrystalView Window Care. Professional service delivered with care. This week I am looking for offices with fingerprints on glass doors and dusty interior partitions. A medical suite switched from occasional cleaning to a quarterly schedule that included sills and frames. The front desk stopped apologizing for smudges and patients noticed the difference. This week I am looking for office managers who say the glass never looks clean. When you hear that, think CrystalView. I am Jamie Ross with CrystalView Window Care. Bright windows, better views. We arrive on time, wear shoe covers, and leave glass streak-free and frames dust-free every visit. We begin with a short discovery call to confirm fit and goals. Next we outline a simple plan with clear steps, dates, and owners. Expect direct communication, transparent pricing, and realistic timelines.

Window Cleaning #2

Hi, I'm Savannah Lee with HighShine Exteriors. Professional service delivered with care. I want realtors and homeowners preparing for photos who need exterior windows, screens, and gutters cleaned in one coordinated visit. A listing that looked dull in person sparkled after a deep exterior clean and bright windows. The photographer loved the results and the listing drew more showings. This week I am looking for photo dates that need a cleanup crew. I am Savannah Lee with HighShine Exteriors. Curb appeal from the street to the sill. We handle tall ladders safely, protect landscaping, and leave exteriors ready for the spotlight. We begin with a short discovery call to confirm fit and goals. Next we outline a simple plan with clear steps, dates, and owners. Expect direct communication, transparent pricing, and realistic timelines.
