RESIDENTIAL CLEANERS - 60 SECOND EXAMPLES (FEEL FREE TO COPY)

Cleaning - Residential #1

Hi, I'm Emily Ward with Sunbeam Home Cleaning. Professional service delivered with care. This week I'm looking for dual-income families in three-bedroom homes who spend weekends catching up on cleaning. A teacher and a nurse traded Saturday scrubbing for soccer games. We set biweekly service, created a priorities list, and rotated deep cleans by room. They gained six hours back every month and the whole house felt lighter. This week I'm looking for families who are ready to buy back their weekends. When you hear "we clean on Sundays" or "the house never feels done," think Sunbeam. I'm Emily Ward with Sunbeam Home Cleaning. Your time is priceless. We are consistent, insured, and pet-friendly so you can come home to clean rooms instead of chores. Expect the same team, helpful reminders, and a sparkling kitchen sink every visit.

Cleaning - Residential #2

Hi, I'm Zoe Ramirez with FreshStart Maid Co. Professional service delivered with care. This week I'm looking for realtors with vacant listings that need a sparkle before photos. A listing sat after dull photos showed dusty vents and cloudy glass. We deep-cleaned kitchens and baths, polished stainless steel, and detailed baseboards and windows. The relaunch earned twelve showings during the first weekend. This week I'm looking for agents with upcoming listings that need photo-ready cleans. When you hear "we are shooting Thursday," book FreshStart. I'm Zoe Ramirez with FreshStart Maid Co. Clean homes sell. We schedule quickly, invoice simply, and bring the ladders and extras to make every room shine. Expect bright glass, crisp corners, and kitchens that gleam under wide-angle lenses. Faster sales start with cleaner homes and photos that stop the scroll.
