BUSINESS COACH - 60 SECOND EXAMPLES (FEEL FREE TO COPY)

Business Coach #1

Hi, I'm Tasha Nguyen with Momentum Coaching. Professional service delivered with care. This week I'm looking for owners with seven to twelve employees who still approve every decision. A restoration company owner worked nights answering team messages and putting out fires. We installed a weekly leadership meeting, three simple KPIs, and a ninety-day playbook. Within a quarter, revenue grew twenty-two percent and he took Fridays off. This week I'm looking for owners who are drowning in decisions and want systems with a leadership rhythm. When you hear "my team waits on me" or "I am the bottleneck," think Momentum. I'm Tasha Nguyen with Momentum Coaching. Build the machine and love the business. We turn chaos into repeatable processes so owners regain time, profit, and peace. Expect clear roles, scorecards, and accountability that sticks.

Business Coach #2

Hi, I'm Ben Carter with Peak Path Coaching. Professional service delivered with care. This week I'm looking for realtors and loan officers averaging two to three deals per month who do not follow a written daily plan. One agent committed to a two-hour prospecting block, a five-touch follow-up, and a weekly pipeline review. In sixty days listing appointments doubled and she raised her average price point. This week I'm looking for producers who want a one-page plan that compounds. When you hear "I am busy but inconsistent," introduce us. I'm Ben Carter with Peak Path Coaching. Simple habits create predictable growth. We install time blocks, talk tracks, and accountability so activity leads to appointments and appointments lead to closed deals. We meet weekly for fifteen focused minutes, track two numbers, and celebrate wins so momentum sticks.
