CONSTRUCTION/REMODELING - 60 SECOND EXAMPLES (FEEL FREE TO COPY)

Construction/Remodeling #1

Hi, I'm Riley Grant with HearthCraft Builders. Professional service delivered with care. This week I'm looking for homeowners in 1980s to 2000s homes who are planning to replace cabinets and counters within the next ninety days. Last spring a family had a dark galley kitchen. We opened one wall, added task lighting, and installed a simple work triangle. Their appraisal came in forty-eight thousand dollars higher and the space finally fit how they live. This week I'm looking for dated kitchens that are ready for a design consult and a budget you can trust. When you hear "we hate our kitchen" or "contractors never call back," think HearthCraft. I'm Riley Grant with HearthCraft Builders. Function, beauty, and value. We provide fixed scopes, clean job sites, and timelines you can follow with confidence.

Construction/Remodeling #2

Hi, I'm Avery Cole with BluePine Restoration. Professional service delivered with care. I'm looking for homeowners with recent water damage claims over ten thousand dollars who feel lost after the adjuster visit. A burst line flooded a first floor. We handled mitigation, documentation, and the rebuild. The claim was approved without drama and the owners moved back in on schedule. This week I'm looking for fresh water or storm claims that need a trusted general contractor to coordinate every trade. When you hear "the adjuster left and we are stuck," send them to BluePine. I'm Avery Cole with BluePine Restoration. Rebuilds done right the first time. We understand insurance, protect budgets, and leave homes stronger than before. Clear plan, daily updates, and a smooth finish. We begin with a short discovery call to confirm fit and goals.
