ATTORNEY - 60 SECOND EXAMPLES (FEEL FREE TO COPY)

Attorney #1

Hi, I'm Olivia Park with Keystone Law. Professional service delivered with care. This week I'm looking for owners hiring their first or second employee who are using downloaded templates. A boutique gym used an internet non-compete that did not match state law and nearly lost a coach to a competitor. We replaced it with compliant, clear agreements including offer letters, confidentiality, and non-solicitation that protected the client and respected employees. They kept the coach and avoided a costly dispute. This week I'm looking for first-time employers who need offer letters, NDAs, and handbooks reviewed before onboarding. When you hear "we found a template online," "we will fix it later," or "HR said it is fine," think Keystone. I'm Olivia Park with Keystone Law. Plain-English contracts prevent conflict.

Attorney #2

Hi, I'm Marcus Lee Attorney with Hearthstone Estate Planning. Professional service delivered with care. This week I'm looking for parents with children under eighteen who still do not have wills or guardians named. A couple believed life insurance alone was enough, but no guardians meant a judge could decide. In two weeks we created wills, a living trust, and powers of attorney. Now their assets avoid probate and their sister is the legal guardian. This week I'm looking for parents without wills who want guardians named and instructions written in plain English. When you hear "we keep meaning to do it" or "we are not rich," introduce us. I'm Marcus Lee with Hearthstone Estate Planning. Simple documents protect families. We offer kid-protection plans, flat fees, and a friendly signing meeting so finishing feels easy.
