ESSENTIAL OIL SALES - 60 SECOND EXAMPLES (FEEL FREE TO COPY)

Essential Oils Sales #1

Hi, I am Nicole Hayes with PureDrop Essentials. Safer scents with clear guidance. This week I am looking for parents who want a non synthetic way to freshen homes and support relaxation at bedtime. A family replaced candles with a diffuser and a simple lavender blend. Evenings felt calmer and the house smelled clean. This week I am asking for friends who say strong sprays trigger headaches. Please connect us. I provide safety cards, dilution charts, and simple starter bundles people actually use. We begin with a short discovery call to confirm fit and goals. Next we outline a simple plan with clear steps and dates. Expect clear communication, transparent pricing, and realistic timelines. We coordinate with all parties so the handoff stays smooth and predictable. Our team documents progress with notes, photos, and status updates. I am Nicole Hayes with PureDrop Essentials. Hi, I am Ben Alvarez with Focus Aroma. Natural support with common sense. I want remote workers who hit the afternoon slump and reach for another coffee. A client set a diffuser with a citrus and mint blend and added a short breathing routine. Focus improved and caffeine dropped. This week I am looking for home offices that want a better workday ritual. I teach safe use, avoid overpromises, and provide blends that smell great without overwhelming a room.
